

2018 COURSE INFORMATION FOR OPERATE BREATHING APPARATUS

1 Day

Max Students:

8

Designed for:

This competency applies to students who are required to wear breathing apparatus for part of their job - because they are working in a confined space, with hazardous gases/vapours, in an anoxic atmosphere or for other applications requiring the wearing of breathing apparatus.

Note: Students will require a cleanly shaven face in order to complete the practical elements of the course.

Pre-requisites:

Nil

Co-requisites:

Nil

Pre-entry Requirements:

Unique Student Identifier (USI) - www.usi.gov.au

Fitness to participate

Students will require a cleanly shaven face in order to complete the practical elements of the course.

This unit requires the ability to interpret any permits or other documentation associated with the wearing of breathing apparatus for the job.

Writing is required to the level of completing required workplace reports.

Numeracy is required to enable the determination of the available working time from a breathing apparatus set and similar activities.

Description:

This unit covers competence associated with the operation and maintenance of breathing apparatus equipment in an irrespirable atmosphere.

Content:

Note: Students will require a cleanly shaven face in order to complete the practical elements of the course.

The standard (AS 1715-2009) outlines in depth the policy around facial hair and includes a diagram where students are to be clean shaven/side burns length.

The following items are covered during the conduct of the training:

- Hazardous environments that require breathing protection
- Relevant Australian Standards, Regulations explained
- The Human respiratory system

NSCA provide scheduled dates for courses in their public course schedules; these courses are subject to sufficient numbers of students wishing to undertake the training. Should a course be under subscribed the course may be deferred until it is viable to conduct the training. In this instance NSCA will contact the student enrolled to inform them and re-schedule. Dates listed on this flyer are subject to change; please refer to our website nscs.org.au for the latest public course dates.

*No GST is applicable to the cost of this course

Nationally Recognised Training will be conducted under the authority of Fire & Safety Australia Pty Ltd (RTO Provider No: 22250)
